PART ONE. READING

Read the following passage carefully. Do the tasks below:

Travelling is fun, but lots of things can go wrong. Read my travel tips and you'll have a good trip! First, remember the important things like passport, ticket and money. Mum usually takes those for me, but check the date on your passport. Children need a new passport every five years, but our parents only change theirs every ten years, so they sometimes forget! Use a rucksack or a suitcase on wheels. If you put your name and address on it, you won't lose it. Take shorts and flip-flops for sunny days. Take a raincoat or an umbrella for rainy days. Take a washbag with your toothbrush, toothpaste, shampoo and soap and don't forget medicines if you need them.

Don't take guidebooks; they're heavy and you can download apps about the places you're going to visit. But remember to take a charger for your phone or tablet! If you're travelling at night, take a pillow so you can sleep. Have a good trip!
